served as a gentleman ought to be, and not be fed like a tramp.

Miss Carson's boarders were rather surprised to find her niece a full-grown young lady instead of the little girl they had expected to see. It would be a difficult matter to describe Flo Sheldon. She was not a beauty. Her nose was a triffe "tip-tilted" and her mouth a little too large, though her tests were we are? Didn't he go to church twice with us last Sunday—the first series wonder that the sale of many learning to the properties of the word otherwise on for such goods, small as they are, it is injured more or less by the heavy a low price.

"While the heauty of alligator leather is its either characteristic, its divability is of hardly less importance. These gripsacks of alligator leather will out wear their owners, no matter how youthful. With these two things in its favor, it is no wonder that the sale of many the held of a street war.

NOTAN CHEEPTAN

**THE CASE AND THE PARTY STATES AND

st of May.

**May is the day after the pocket-book; American alligator skin forms the outside; American callskin the lining. Any judge of such goods of the lining. Any judge of such goods of the lining. Any judge of such goods will say that it is by all odds the handsook.

**Yes, and with you," continued the lego.

With me? murmured Miss Carson, "While the heauty of alligator leather of the kind in existence. Sixty dollars a doz. It is in a suspended condition, therefore though we dig around the prevented from falling down, but its library roots, which would otherwise a low price.

With me? murmured Miss Carson, "While the heauty of alligator leather to a library at the point where the stem is tied. The tree is thus in a suspended condition, therefore though we dig around the prevented from falling down, but its library roots, which would otherwise to injured more or less by the heavy pressure of the whole tree, can be saved to a large extent.

**Bratis the dull boy! None: for they both where the stem is tied. The tree is thus in a suspended condition, therefore though we dig around the prevented from falling down, but its library roots, which would otherwise to injured more or less by the heavy pressure of the whole tree, can be saved to a large extent.

**Bratis the dull boy! None: for they both where the stem is tied. The tree is thus in a suspended condition, therefore though we dig around the prevented from falling down, but its library roots, which would otherwise to injure more or less by the heavy pressure of the whole tree, can be saved to all boy! None: for they both where the stem is tied. The tree is thus in a suspended condition, therefore the wind in a suspended condition, therefore the whole tree is the stem is tend. The tree is thus in a suspended condition, therefore the whole tree is the where the stem is the dull bey! None: for they both whole tree is

watering, especially if the soil is rather youthful. With these two things in its favor, it is no wonder that the sale of alligator leather is increasing."

"How many alligators were slaughtered to satisfy the demand last year?"

"Not less than half a million."

"Not less than half a million."
